

Deep Cleaning: Ovens, Hood Filters, Baked-On Grease

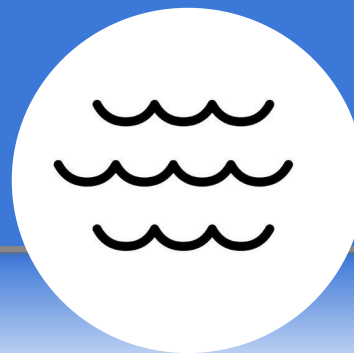

1. Fill Sink with Hot Water

Plug drain and fill sinks with hottest water available.

2. Put Simix in Water

Add 1 large scoop of Simix Cleaner powder per 10 gallons of water.

3. Soak for 20 Minutes

Soak pans and oven parts in water in sink for 20 minutes.

4. Rinse and Wipe Clean

Rinse with warm water and wipe with clean cloth.
